## MORMON COLONIES ALL PROSPERING

Reports Made at Conference Held in Colonia Juarez. Crops Doing Well.

Colonia Dublan, Mex., June 29.—Conference has closed. There was a pretty good representation from each of the colonies. Among the visitors were Ernest Remmey, the new bishop of Colonia Diaz, and Thomas Serey, the new bishop of Colonia Chichuapa. The colonies were reported as follows:

**The health of this colony is good.** The building of a reservoir is contemplated. It is believed a dam can be built across a gully in the mountains and water impounded there. This colony does not require so much water as those settlements in the valleys, as rains fall now and then; the whole year through. Crops are looking well; they never looked better at this season of the year, notwithstanding the drought.

**Deaths.**—Mrs. J. R. Day and Levi Anderson, sr., of Dallas, to Mrs. Lila A. Sullivan, of Lamar county, Texas, 5 acres in tract 33, section 11, block 5, public school land, and lot 6, block 116; consideration, \$145.

**Births.**—To Mrs. Jesus C. Tellez, 1019 Seventh street, June 25.

**CAMERON SEEKS A PENSION FOR AN ARIZONA PIONEER.** Washington, D. C., June 29.—If a bill introduced by delegate Ralph Cameron goes through, not only will a pension be granted Samuel T. Ferrier, of Clifton, Arizona, giving him \$12 a month for the balance of his life, but he will receive almost \$4000 in back pension. Mr. Cameron has asked that the pension be dated as commencing Dec. 28, 1885. Ferrier was a member of company A, second Indiana volunteer cavalry.

**RAILROAD AND SHOP NOTES.** Engineer Johnson, of the T. & P., is taking a layoff on account of sickness. Engineer Andy McGee took his layoff yesterday and will spend his vacation in California. Conductor B. W. Bowman took a leave of absence Wednesday and left for San Antonio. Operator Chas. Frame, of Monahans, Texas, is spending a few days with the El Paso boys.

**Garland Lyman, in the drafting department of the E. P. & S. W., will leave on his annual vacation the first of the month.** George Meade, one of the Southwest-ern boys, will leave on his vacation in about two weeks. He will go to California.

but is not large enough, has been built.

Colonia Juarez.

There is not much doing in Juarez in the way of farming, for lack of land, but the fruit crop is excellent. Everything that is large enough to support a bud is large enough to produce fruit.

## FIREMEN TO TAKE PART IN RACES

Principal of Douglas School Succumbs to Typhoid Fever.

Douglas, Ariz., June 29.—The volunteer fire department has decided to enter two picked teams in the Fourth of July races. Considerable rivalry has existed between the two companies of volunteers and the paid department. Some of the paid men will also run on the teams.

Miss Cora B. Thomas, aged 30 years, for several years connected with the city schools of Douglas, died in a local hospital as the result of an attack of typhoid fever. Miss Thomas was principal of the Seventh street school here for four years. She is survived by two sisters, who reside here, a sister in Morenci and a brother in Cananea. The body was shipped to her former home in Akron, Ohio.

A splendid specimen of wheat, grown upon an irrigated tract of land owned by Mrs. Eliza Keeler, four miles north of Douglas has been received here. The grain is fully matured and has been put on exhibition in the rooms of the chamber of commerce.

M. S. Stanley, a well known mining man of the Sacaroni district, was stricken suddenly by an attack of paralysis while asleep in his room at the International hotel. His condition is said to be serious.
